

# UK DECLARATION OF CONFORMITY

issued by the manufacturer:

**NEXINEO s.r.o.**

**Galvaniho 6, Bratislava – city district Ružinov 821 04, Slovak republic**

Company ID number: 47020946

TIN: 2023700833

VAT ID: SK2023700833

on the product:

**NEO virtual desktop device**

model: GO

## We hereby declare that,

the product "NEO virtual desktop device" is safe for its intended use and measures have been taken to ensure that the product placed on the market complies with the technical documentation relating to this product.

The object of the declaration described above is in conformity with the relevant UK statutory requirements and the relevant directive originating from the EU.

**The conformity assessment was carried out according to the directive**

**2016 No. 1091 The Electromagnetic Compatibility Regulations 2016**

For the appropriate implementation of the above UK statutory requirements, the relevant directive originating from the EU the following designated standards have been applied to the product-type mentioned in the declaration:

|                                  |                                                                                                                                                                                                                                                     |
|----------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>BS EN 55032:2015/A11:2020</b> | Electromagnetic compatibility of multimedia equipment. Emission Requirements.                                                                                                                                                                       |
| <b>BS EN 55035:2017/A11:2020</b> | Electromagnetic compatibility of multimedia equipment. Immunity requirements.                                                                                                                                                                       |
| <b>BS EN 61000-3-3:2013</b>      | Electromagnetic compatibility (EMC). Limits. Limitation of voltage changes, voltage fluctuations and flicker in public low-voltage supply systems, for equipment with rated current $\leq 16$ A per phase and not subject to conditional connection |

**The UK declaration of conformity is issued on the basis of the document**

- Conformity Certificate No. 24TSU0196 issued Product Certification Body, TSU Piešťany, a.s., reg. no. 009/P-018, issue date: 28.08.2024, expiry date: 27.08.2027.

In Bratislava, on 11.04.2025
